

2 Port HDMI 8K60 Bi-Directional Switch

Part No.: 38339

Description

- Switches between two source devices to one output, or one source device to two outputs
- Supports 48G resolutions up to 8K@60Hz, with additional support for HDR
- Supports HDMI audio pass-through
- Compact, minimalist design to ensure no distraction from the display or installation
- 2 year warranty

The Lindy HDMI 8K60 Bi-Directional Switch allows the user to connect two 8K source devices such as Blu-Ray players or games consoles to a single 8K display or projector and easily switch between them at the push of a button. Alternatively, connect one 8K source can be connected to two 8K displays or projectors and switch between displays at the touch of a button.

With support for resolutions up to 8K 7680x4320 @ 60Hz or 3840x2160 @ 120Hz, this switch ensures a superior visual experience within residential, education or conferencing installations.
